

Professionals Who Touch

5-day Intensive training for using therapeutic or sensual touch in a professional setting

Be guided by international professional trainers in the industry:

Dr. Betty Martin - Sex Therapist - www.eroticeducation.org

Andrew Barnes - Sex Therapist & Bodyworker
www.awakeningwithin.com.au

Marus' Wegrzyn - Sensual Healer, Love & Intimacy Coach
www.sensualhealing.com.au

Create a practice that is grounded, safe, effective and satisfying. For massage therapists/body workers, sacred intimates, Tantric practitioners, coaches and other providers of touch-both new and experienced in the field of Sexual Healing & Sex Coaching.

Improving ways to:

- Learn massage & bodywork techniques that support sexual healing
- Accurately assess & assist your new client's needs professionally
- Clarify and communicate boundaries through mutual agreements.
- Learn to promote your business to your target audience
- Be happier while making more money more easily
- Develop your perceptive & intuitive abilities
- Practical techniques of working with difficult clients
- Ways to disperse clients physical & psychic energy
- Increase your clients body sense awareness
- Ground yourself and clients physically & energetically
- Understand the true nature of your work and how to gain from it

This course is suitable for both established and novice practitioners and those with an interest in working in the sexual healing industry.

When: Jan 12th-16th 2009 **Where:** TempleSpace **Investment:** \$990
